Noosa Cyclones Basketball

Semester 1, 2021 Season

U16 & U18 Competition Fact Sheet

The Committee has deliberated and there will be some changes to fee and the season structure which are outlined in this document.

1. Our next competition season will be the Semester 1, 2021 Season, which will be in line with the Term 1 and Term 2 school calendar.
2. Player groups are invited to nominate Teams with a minimum of 5 players. Players can also nominate individually and we will assist in allocating a team. All nominated teams must be aware that they may have players added throughout the season until they have a maximum of 9 players.
3. To nominate a team, please email noosacyclones@gmail.com with team name and list of members by **Thursday 28 January, 2021.**
4. Season will consist of 14 regular season rounds and 2 weeks of finals (16 weeks total).
5. All teams must have a Team Manager and a Coach in attendance on Game days.
6. **No Pay, No Play** will be enforced from Round 2, after which if a player takes the court without payment their team's game will be forfeited.
7. All teams will play in both final weeks.

Coaches

In previous seasons, NDBA has supplied paid coaches to teams that have not supplied their own (e.g. parents/family members). We have a pool of interested coaches whose details we can provide to Team Managers - communication with, and payment to, coaches will be done directly between the Team Manager and the Coach. We will also be providing a short Introduction to Coaching session early in 2021 for interested parents.

Team Managers

Each team must provide contact details for a Team Manager. This is an administrative role responsible for assisting the NDBA Committee to disseminate relevant information, follow up on registration and payment of fees, organise the team's attendance and roster a parent to score on match days. Team Managers will be supplied with contact information for their players.

Fee Structure

1. Early-bird fees will be $225
2. Full season fess will be $260
3. Full season fees are payable until 27th March 2021; players registering after this date will pay Half season fees ($130).
4. Additional competitions will be $80 per season (eg a player that plays in both U14 and U16 will pay $225/$260 and $80 for the extra competition).

2021 Age Groups

U16 Age group – Players born in 2006 and 2007
U18 Age group – Players born in 2004 and 2005

Noosa Cyclones are an inclusive and family-friendly club. Please approach a Committee member to discuss if you need assistance with fee payment.

We are looking for adults to facilitate a training night for our U16/18 players. If you know someone that would be willing to coach/manage training please let the Committee know.
